WATERTOWN INCORPORATED

Vote at Election Saturday Resulted 60 to 38.

The "incorporationists" carried Watertown in the election held Saturday by a vote of 60 to 38. The next procedure will be the calling of an election by the county judge, at which time the trustees of the new village will be selected. There will be six on this board.

As the territorial boundaries of the village are now the subject of dispute, the village is left outside, this being the objection to incorporating when the proposition was submitted about two months ago. The election of trustees will probably be called for some time next month.

Killed by Train.

WIN THIRD PLACE

But Divide Honors With Monmouth in the Knox College Meet at Galesburg.

GENEVA TAKES FIRST PLACE

Pontiac Wins Over Twenty-Seven Schools in the Declamatory Contest—Galva Second.

Rock Island tied with Monmouth for third place in the Knox college interscholastic meet held Saturday afternoon at Galesburg. Rock Island and Monmouth each secured 13 points. Geneva took first, scoring a total of 26 points, and Springfield second with 19 points. Moline had 11 and Lake Forest 10.

Rock Island's Points.

The winners for Rock Island were Ehrhorn, who won second places in the shot put and discus throw; Collins, who made best distance in the hammer throw; Harms, who took third in the 440-yard dash, and Kinner, third in the half mile run. Rock Island's total would undoubtedly have been greater, and placed it in second position, if not first, had the team not been divided. Lilt and Marquis, two of its best men, were sent to the state meet, given under the auspices of Illinois university at Champaign. The best athletes of the entire state enter this meet, and Rock Island's entries failed to score in such a field. Marquis was entered in the dashes, and Lilt in the weight events.

The school did not take part in the relay race or the jumps at the Knox meet, not entering the latter because of the absence of Marquis, who is also its best jumper. Rain, which had threatened during the entire day, began to fall just as the relay was started. Because of the appearance of the weather, the meet had been hurried through, two or three events being run off at a time.

Pontiac won declamatory. Twenty-seven schools participated in the declamatory contest. Three preliminary contests were held, the first three contestants in each speaking in the final contest. Maud Hoover, of Pontiac, won first honors, with Bernice Moore, of Galva, second, and Louise Wineberg, of Augusta, third.

The judges in the contest were Dr. Joe Bell, of the Methodist church; Prof. Fowler, of Lombard college, and Mrs. Fred R. Jelliff, all of Galesburg. The attendance at the finals was large and there was a great deal of enthusiasm manifest.

Those who contested in the finals were:

Lucy Brennan, Rock Island.
Charles Custer, Chillicothe.
Louise Wineberg, Augusta.
Maud Hoover, Pontiac.
Bernice Moore, Galva.
Sarah Riley, Lewistown.
Lucille Mary Havermale, Canton.
Champ Clark Buckner, Macomb.
Arthur Wilke, Galesburg.

Pole vault — Nance, Kewanee, first; Knoxville, third. Time, 0:22 3/5.

Edwards, Hinsdale, second; Danner, Astoria, third. Height, 10 feet 3 inches.

Relay race, one-half mile — Lake Forest, first; Monmouth, second; Peoria, third.

Marquis Second.

Will Marquis, who represented Rock Island in the oratorical contest at the state university at Champaign, took second place with his oration, "Theodore Roosevelt." Samuel Rablinoff, of Robert A. Waller high school,

Chicago, was awarded first honors. His oration was entitled "Victor Hugo." David L. Eastman, of Kankakee, speaking on "Our National Crime," was third. Other schools represented were Kewanee, Freeport, Joliet, Pontiac, Watseka, and the Lake View and Englewood high schools of Chicago.

Marquis and Lilt both were entered in athletic events in the field meet which took place Saturday, but they were in fast company and their winnings were small.

GREATER UPHEAVAL MAY YET APPEAR AT CHICAGO

(Continued From First Page.)

ler, ex-president of the union, who, according to the police, took an active part in plans for the "slugging crusade" against non-union men.

Oppose General Strike.
Chicago, May 15.—Influences in the teamsters' joint council, at work to halt the general strike movement, including all drivers, are expected to bear fruit at a meeting of the council tonight and avert a new and the greatest industrial upheaval here.

Influences at Work.
Rumors that the executive board of the International Brotherhood of Teamsters would meet in Chicago tomorrow and the action of the ice wagon drivers accepting the wage schedule of last year, coupled with reports that dozens of strikers have applied for their old positions at department stores, sustains the belief among employers that the end of the strike is not far distant.

2,000 Cabbies May Quit.
Whether 2,000 cabdrivers, who refuse to take passengers to stores under union ban, will or will not strike depends upon the outcome of the teamsters' joint council tonight.

Hearing Continues.
Before Master in Chancery Sermon the hearing of the federal injunction cases continued today, attorneys for the employers working hard to obtain light on the alleged "slugging" feature of the strike to show that "violence committees" exist for every union during times of strikes and that men are trained for "slugging" work and employed exclusively for that purpose.

May Cite for Contempt.
It was declared today that if the union men called as witnesses continue to refuse to answer questions an order citing for contempt would surely follow.

Mayor Stirred by Situation.
Chicago, May 15.—In the hope of preventing the spread Mayor Dunne will form another commission, this time not to aim for peace but to try to induce teamsters and team owners to keep the disturbance within existing limits.

The employers in the meantime prepared to bring before Master in Chancery E. B. Sherman evidence which they declared would prove that the teamsters' union is using an "educational committee" of sluggers to "heat up" nonunion workers.

Ice Drivers Against a Strike.
The danger of a strike of ice wagon drivers was averted when the union voted to accept the same wages as last year. The decision was reached only after a long meeting at Bricklayers' hall which lasted four hours.

Many of the men clamored for a strike to enforce the demands for an increase in pay of \$10 a month. Agreements binding the ice teamsters for a year probably will be signed today or tomorrow.

Negro Is Shot Dead.

James Jennings, 26 years old, colored, was shot dead and P. Lagorogis, owner of a lunch wagon in front of 2517 State street, was severely beaten yesterday. Lagorogis was taken to Mercy hospital, where it is said his condition is serious.

Riot Cause of Collision.

Responding to a riot call from policemen who are unable to cope with a mob of strike sympathizers at Green and West Madison street last evening the patrol wagon of the Desplaines street station hurrying at full speed to the scene collided with a crowded West Madison street car at the corner, seriously injuring nine persons and bruising a dozen others.
